I left Phoenix last Saturday in my RV along the low route (I-10). Just missed getting snowed on in Van Horn Texas a couple days ago! I am visiting friends and family along the way. Should be arriving in DC Monday night or early Tuesday! :)

Driving from the West Coast for most is around 30 hrs. 2-3 days for most solo drivers.

I would find some very patriotic streamers who are using their own money to get to DC to document...and support them.. if you need some names let me know.

Reminds me of the oldie film "Mr. Smith goes to Washington" but only this time, it's for saving the country and at least 80 millions disfranchised Americans, and not just one man. Patriots like Seth Rich died to give us the truth. What we do with it defines ourselves not just within this short life but for generations to come. What will we tell our grandkids how we collectively respond when US Presidential election was stolen in 2020?

God bless! Have a safe trip!
